

Insect Remover

DESCRIPTION

For quick and easy removal of insect remains. For glass, plastic, paint and chrome. Thanks to its gel-like composition, the Insect Remover also adheres well to vertical surfaces while it gently and quickly removes insect contamination. Also ideally suited for pre-treatment before washing the car. Highly effective and easily biodegradable.

PROPERTIES

- High cleaning efficiency
- Highly biodegradable
- Good adhesion of the gel-like agent
- Suitable for polycarbonate-based plastics
