

Racing Bike Cleaner

DESCRIPTION

Racing Bike Cleaner is a cleaning fluid which has been specially developed for motorbikes and bicycles and is free of solvents which are harmful to the environment and phosphates.

PROPERTIES

- dissolves dirt and grease residues
- high washing and cleaning efficiency
- fast acting, rapid cleaning
- runs off without leaving streaks
- biodegradable, environmentally-compatible

TECHNICAL DATA

Colour	: pale/colourless
Basis	: surfactants; water-soluble solvent
Density at 20 °C	: approx. 1.08 g/cm ³ (agent)
Biodegradability	: more than 80 % according to WMG

APPLICATION

For cleaning motorbikes, bicycles and scooters etc.

INSTRUCTIONS

Spray thinly and evenly on motorbike, bicycle or scooter only when cool. Use a brush on places which are heavily contaminated. Leave Racing Bike Cleaner to act for 5-15 minutes depending on contamination and rinse thoroughly with a jet of water. When dry, wipe with a soft cloth. For parts which have been repainted, check paint for compatibility (spotting or lifting) on somewhere out of sight. If used properly however, paint and plastic will not be damaged. When cleaning, the local regulations of the water management authority must be followed.

Do not use on motorbikes with magnesium rims.

AVAILABLE PACK SIZE

Racing Bike Cleaner	1 l	Part no. 1509
	5 l	Part no. 1605
