

Silikon- und Wachs- Entferner (Silicone and Wax Remover)

DESCRIPTION

Silicone and Wax Remover has been specially developed for the removal of silicones and waxes from glass, paintwork and chromium parts. Silicone and Wax Remover provides the optimum base for paint and gives clear visibility after car washing.

PROPERTIES

- easily removes wax and silicone residues
- provides clear visibility free of streaks
- simple to use

TECHNICAL DATA

Basis	: surfactants/polishing agents
Colour	: pale brown
Form	: liquid
Density	: 0.99 g/cm ³
pH-value	: n.a.
Solubility	: partially soluble in water
